You will be brought behind the scenes of some amazing animals. Your adventure begins by getting an opportunity to get up fairly close to one of the following: hippo, lion, tiger, baboon, black bear, red panda, a variety of reptiles and few others can be arranged depending on the size of your group and as always in a safe; but fun environment.

Each encounter would include the following:

- admission to enjoy the Zoo for the day
- behind the scenes with one of the animals listed above
- 45 minutes to 1 hour experience
- opportunity to learn more about the animal itself (for example, what he or she likes to eat, what are their likes or dislikes, some stories to share)
- opportunity to make an enrichment activity for the animal
- photos would be taken and you would go home with a USB of a lifetime experience!

**All Behind the Scenes tours are based on availability and, of course, changes may take place if an animal is under the weather for the day or requiring some special time alone.**
