

**ANIMAL STATUS**  
 Please check the zoo sign at each exhibit for the status of the species. Source used to determine status is the World Conservation Union (IUCN).  
**Extinct:** No reasonable doubt the last individual of this species has died.  
**Extinct in the Wild:** Eliminated from the wild and only surviving in captivity.  
**Critically Endangered:** Extremely high risk of extinction in the wild.  
**Endangered:** Very high risk of extinction in the wild.  
**Vulnerable:** High risk of extinction in the wild.  
**Near threatened:** Close to qualifying for one of the categories above.  
**Least Concern:** Species are usually widespread or abundant in the wild.
