

Greater Vancouver Zoo Professional Development Day for Educators

Friday, October 21, 2016 9:30am-1:30pm

The Greater Vancouver Zoo has always been a unique resource for educators of all grade levels, from pre-school to University students. Now with the introduction of the new British Columbia curriculum, even more opportunities are available here. The new curriculum is about providing a greater connection to learning, and we have many resources to assist educators in meeting those learning outcomes at our facility or by having us come to you with our outreach options.

Join us on Friday, October 21 to:

- ❖ Learn the role of accredited zoos
- ❖ Learn about our conservation projects
- ❖ Take a ride on the Safari Express Miniature Train
- ❖ Learn about our education resources
- ❖ Learn about animal care
- ❖ Enjoy a free day at the zoo
- ❖ Obtain your requirements for professional development
